1:15-2:15pm Here's when the choosing gets difficult. One of our suggestions for take-out is [The Smiling Bison](#). Farm to table aficionados flock to this restaurant whose menu offers natural bison burgers and ribeye, but also nods to the fresh seafood on its doorstep with items such as grouper cheek rolls and local red snapper. Combine drinks and dessert with the "tekeyla lime pie," a tipsy twist on the Florida treat made with tequila custard, toasted meringue and black sea salt.
